IMPORTANT NOTICE REGARDING POE ROAD IMPROVEMENTS WORK

On Tuesday, May 26, 2015, weather permitting, S Brothers Construction will begin concrete work on Poe Road which includes new curb, sidewalk and driveway aprons. In order to provide for this work, Poe Road will be closed to through traffic from Princeton-Kingston Road (Rt. 27) to Random Road. The concrete work closure is expected to be in effect for two to three weeks, weekdays only, weather permitting. Work hours are generally from 7:30 am to 5:30 pm, Monday Through Friday.

When concrete curb, sidewalk and concrete aprons are installed across your driveway, access to your driveway will be prohibited for the next 48 hours. Please park in on the side of the street opposite where the work is occurring or work with a neighbor across the street to share their driveway. We will notify you when access is restored to your driveway.

In the event of inclement weather, work will proceed the following day, excluding Saturdays and Sundays. Poe Road will be closed except for local traffic only during work hours, and will reopen at the end of each work day. Residents are advised to use caution when driving within the road closure area and allow additional time for travel. Provisions will be made for emergency services vehicles and for continued services such as brush collection, mail delivery, garbage and recycling pick-up. During construction, Poe Road through traffic will be detoured onto Roper Road and Random Road.
