**IMPORTANT NOTICE REGARDING BANK STREET IMPROVEMENT PROJECT  
July 25, 2019**

Dear Bank Street Residents and Homeowners,

CRJ Contracting has finished installation of the new 6" ductile iron water main from Chambers Street side and around the bend toward Nassau Street. Starting Thursday, July 25, 2019, and during the week of July 29, 2019, CRJ will be installing the new 6" ductile water main from Nassau Street toward the bend. Access to Bank Street from Nassau Street will be restricted between 7 am to 6 pm on work days (Monday – Friday) during this construction. On street parking is prohibited during work hours.

We are trying to maintain trash, recycling and brush collection schedule during construction. Please call the Engineering Department if collections are missed.

If you have any questions or require additional information, please contact Christopher Lynch, Sr., Construction Inspector, NJ American Water at [Christopher.Lynch@amwater.com](mailto:Christopher.Lynch@amwater.com) or by phone at (732) 546-5206. Your assistance in tolerating the temporary inconvenience associated with this work, which will lead to a permanent improvement of your neighborhood, is appreciated.
