## IMPORTANT NOTICE

### **UNDERGROUND UTILITY INVESTIGATION WORK ON BANK STREET**

**Wednesday, May 20, 2015**

Dear Bank Street Neighborhood Residents:

On Wednesday, May 20, Princeton Public Works will return to Bank Street to complete the test pits at the north end of the street, near the 90 degree bend. Work is planned to take place during the hours of 7:00 am and 3:30 pm; in case of inclement weather, the work will continue the following day (Thursday).

**Bank Street will be closed to through traffic while this work is taking place; a barricade will be placed at each end of the roadway. On-street parking will be ALLOWED; however, all traffic will have to enter and exit Bank Street from Nassau Street while work is taking place. We request that those who park on the south end of Bank Street, and in the two private lots, endeavor to minimize their vehicular trips in and out.**

If you have any questions or need additional clarification, please contact me at 609-921-7077 or [dstockton@princetonnj.gov](mailto:dstockton@princetonnj.gov). Nixle alerts will be used by the Princeton Police Department to provide notification regarding the closure; the website information for Nixle is provided on the reverse side of this letter along with other useful contact data. To facilitate ease of communication regarding the project, please email [jredeyoff@princetonnj.gov](mailto:jredeyoff@princetonnj.gov) to be added to the project email list.

Sincerely,

Deanna Stockton, P.E.  
Assistant Municipal Engineer
