**IMPORTANT NOTICE**

**IMPROVEMENT OF BANK STREET  
NEIGHBORHOOD MEETING NOTICE – September 21, 2016**

Dear Bank Street Neighborhood Residents:

You are invited to attend a neighborhood design meeting, chaired by Mayor Liz Lempert, on Wednesday, September 21, 2016 at 7:00 pm in the Main Meeting Room at Monument Hall (former Borough Hall), One Monument Drive, to discuss this project.

Since the last design meeting held on May 17, 2016, we have been investigating how to reduce the estimated cost of approximately \$70,000.00 per address to install overhead utilities underground in the public right of way. Unfortunately, we have not been able to reduce this estimate.

Topics of discussion for the neighborhood meeting include (but are not limited to) the following:

- Final consensus on willingness to proceed with a \$70,000 per address assessment to place utilities underground.
- Materials for sidewalk and curbing.
- Increased applications to Historic Preservation commission for front porch/step work and opportunities to coordinate with the road project.

Please contact me at [dstockton@princetonnj.gov](mailto:dstockton@princetonnj.gov) or 609-921-7077 with comments and/or questions. To facilitate ease of communication regarding the project, please email [jredeyoff@princetonnj.gov](mailto:jredeyoff@princetonnj.gov) to be added to the project email list. A telephone list for the various project contacts is provided on the next page of this notice for your use.

Sincerely,

Deanna Stockton, P.E., C.M.E.  
Municipal Engineer
