Council President Andrew Koontz called the meeting to order at 7:02 P.M. and read the open public meetings statement as follows:

“This meeting is called to order pursuant to the provisions of the Open Public Meetings Law. This meeting of April 27, 2010, was included in a list of meetings sent to and advertised in the Princeton Packet and Trenton Times, posted on the bulletin board in the Borough of Princeton municipal building and has remained continuously posted as the required notices under the statute. In addition a copy of this notice is and has been available to the public and is on file in the Office of the Borough Clerk. Proper notice having been given, the Borough Clerk is directed to include this statement in the minutes of this meeting.”

Council President Koontz read **Agenda Item C, Resolution 2010-R140**, as follows:

**RESOLUTION 2010-R140
OF THE MAYOR AND COUNCIL OF THE BOROUGH OF PRINCETON

WHEREAS, this public body is of the opinion that such circumstances may presently exist; and

WHEREAS, the Governing Body wishes to discuss the following issues:

WHEREAS, minutes will be kept and once the matter involving confidentiality of the above no longer requires that confidentiality, then minutes can be made public; and

NOW THEREFORE BE IT RESOLVED that the public be excluded from this meeting.

Councilwoman Trelstad moved to approve; Councilman Wilkes seconded. The motion was subsequently withdrawn. At 7:06, Council President Koontz moved to recess.

April 27, 2010

At 7:30 P.M. Council reconvened into open session.

Council President Koontz asked all present to rise for **Agenda Item D, Salute to the Flag.**

Council President Koontz announced an item not on the agenda, **Resolution 2010-R149.**

Council President Koontz read **Agenda Item E, Approval of Minutes.**

Presented for approval were the minutes of the open session of April 6, 2010.

Councilwoman Trelstad moved to approve the minutes of the open session of April 6, 2010, Councilman Goldfarb seconded, and Council approved unanimously.

Council President Koontz read **Agenda Item F, Public Presentation**, and explained the purpose: To permit members of the public to bring topics to Council's attention—it is not for the purpose of discussion or vote. He asked if anyone present wished to address Council with an issue not on the agenda.

Jo Butler, 18 Hibben Road, reported that revaluation programs held at the library were successful. She recommended sponsoring similar sessions at the senior center.

Anne Neumann, 22 Alexander Street, offered three draft resolutions for Council's future consideration. Council President Koontz stated that, first, the draft resolutions will be forwarded to Borough Attorney Maeve E. Cannon for language and compliance review.

Councilman Martindell updated the situation at 205 Nassau Street, largely vacated for fumigation for bedbugs.

Councilman Martindell proposed holding public hearings with Mercer County assessor Martin Guhl on "overarching" revaluation topics such as high values for John/Witherspoon district and lower-than-expected values for Princeton University properties.

Councilman Goldfarb noted that, in addition to whether properties were valued fairly, the incremental increases affect Borough's portion of school tax, county tax, and joint agencies shared with Princeton Township.

Mentioning a full agenda ahead, Council President Koontz closed the public portion.

Council President Koontz read **Agenda Item G, Correspondence — 8th Annual Ivy Fest — Richard Ryan, Ivy Inn.**

Borough Administrator Robert Bruschi reported that police have reviewed and approved Ivy's request for license extension permits, noise permits, security, and so forth. Councilman Goldfarb moved to endorse Ivy Inn serving alcohol outside their premises, Councilwoman Trelstad seconded, and Council approved unanimously.

Council President Koontz read **Agenda Item H, Discussion — Harrison Street Park (HSP) Plantings.**

Council President Koontz divided discussion of HSP into two parts: (1) project status update and (2) decisions on plantings. He turned the meeting over to Borough Engineer Christopher Budzinski, who reported a net increase to the landscape supplier of \$3,600, with about \$40,000 still available for contingencies.

Mr. Budzinski said the HSP improvement is 75% complete; remaining tasks:

- Aiken entrance
- Court area and pathway
- Bridge completion
- Benches, fountain, spigot
- Trees and shrubs
- Final grading, top soiling, seeding
- Final cleanup

The contractor projects completion by the end of May 2010. Mr. Budzinski warned that portions of the park will not be usable until fall. Mr. Budzinski and Council members discussed paving materials for the pathway, new tree options since the recent destructive storms, drainage, and so on.

Council President Koontz asked if anyone in the audience had a comment about HSP.

Martha Reinhart, 41 Harrison Street, asked about re-seeding in October. Mr. Budzinski replied that the landscaper has a yearlong maintenance guarantee.

Christine Graziano, 55 Aiken Avenue, requested modification to the plantings arrangement to include an evergreen screen between her house and the shiny metal play equipment. Councilman Goldfarb sought specifics from Ms. Graziano, which she itemized. Mr. Budzinski stated that it was never Borough's intent to shield individual properties from a view of HSP.

Councilwoman Trelstad observed that only 8 of 81 total shrubs are evergreen.

Mr. Budzinski presented a chart of proposed plantings. He supported the expertise of the contractor, but noted the difficult maintenance and watering schedule for so much plant life. Mr. Budzinski stated that herbaceous planting must be complete by mid- to late May.

Councilwoman Trelstad reported that Public Works Committee had discussed HSP maintenance: Staff has the knowledge for plant upkeep but not the time. She said Public Works Committee opposed extensive planting for HSP. Councilwoman Trelstad expressed her personal philosophy that public *parks* should not be public *gardens*.

Council President Koontz mentioned the intensive neighborhood involvement in HSP decisions. He thought neighbors might be willing to supplement the efforts of Public Works staff in HSP plant care. He encouraged neighbors of parks throughout town to take “ownership” of their recreational areas.

Mr. Bruschi encouraged Council to put the “finishing touches” on HSP.

Council President Koontz asked HSP neighbors to tell Council their personal plans for HSP upkeep.

Ms. Reinhardt disagreed with Councilwoman Trelstad: The park’s plan did not entail burdensome maintenance after the first year. She said the size of plants, density of plants, location and type of plants would make them sturdy enough for a public park. The choices made were to ensure that the plantings were self-sufficient and dog- and child-proof. Ms. Reinhardt readily offered her hose and her water if needed for plant wellbeing. Ms. Reinhardt stressed that water issues for the interior of the park are moot.

Marie Rickman, 45 Patton Avenue, confirmed the careful selection of the HSP plants for healthy survival specifically in New Jersey.

Ms. Graziano said herbaceous perennials aid in storm water management and sustainability efforts. She suggested placing barrels for rain water harvesting.

Ms. Reinhardt stated that all neighbors are eager to help Public Works personnel. She requested notification when they planned to work at HSP so neighbors could “rally round.”

Mr. Zink quoted Steve Hiltner’s 2007 stewardship plan to “focus on low-maintenance native plantings.” He described a pilot garden created by some neighbors in 2006—no watering has been required since the first year. He wondered where the \$100,000 in Borough’s Open Space Fund is spent.

Councilwoman Trelstad feared that perennials would be mistaken for weeds by Borough workers.

Councilman Martindell stated that HSP is a large area to maintain, even for one year. He suggested a formal maintenance schedule that involves both neighborhood and Public Works.

Councilman Wilkes reflected on the small-scale details that make designs extraordinary. Councilman Wilkes supported spending up to the remaining contingency funds on as much planting as possible. He expressed conviction that the neighbors will volunteer as promised.

Councilwoman Crumiller said the neighbors are a resource for Borough.

Mr. Bruschi emphasized that HSP maintenance is *Borough’s* job.

Councilman Goldfarb asked Borough's responsibility under the replacement contract. Mr. Budzinski responded that Borough cannot neglect the plants.

Ms. Neumann promoted border planting over swales. She said neighbors can formally adopt the park through the Environmental Commission.

Councilman Wilkes moved to authorize Engineering to spend contingency money not to exceed \$30,000 on herbaceous plants. Council President Koontz seconded.

Mr. Budzinski proposed relying on the walk-through group and landscape architect's judgment as to exactly what plants are chosen. Councilman Martindell questioned who will be in the walk-through group and how choices will be made. He foresaw a negative dynamic that might preclude neighborhood participation. Mr. Budzinski identified a "core group" of dedicated neighbors who have reached agreement in the past and can do so again. He noted that the framework for decisions is defined in the contract.

Council agreed to revisit HSP plantings after hearing the design professional's recommendations. Councilman Wilkes worried that a delay would use up valuable planting days. He amended his motion to "follow the entire approved plan" and for Council to discuss planting ideas briefly at the next meeting. Council President Koontz, as seconder, concurred. Council approved five to one, with Councilwoman Trelstad opposed.

Council President Koontz read **Agenda Item I, Report (1) — Affordable Housing Update — Land Use Development Official Derek Bridger.**

Councilman Wilkes recused himself from discussion of the Harrison Street Group home affordable housing.

Mr. Bridger updated Council on:

1. Group home on Harrison Street
 - a. Contracts of sale to seller's attorney
 - b. COAH hearing on amendment to spending plan scheduled
 - c. Property to be donated to a nonprofit that will fund a second-story addition
 - d. Residents to be four developmentally-disabled adults
 - e. On-site management arranged.
2. Purchase and rehab on John Street
 - a. Contracts of sale to seller's attorney
 - b. Princeton Community Housing to manage rehabilitation and finished dwelling
 - c. COAH hearing on amendment to spending plan scheduled
 - d. Property to be deed-restricted as low-income, affordable for 99 years.

Councilman Wilkes returned to Council chamber.

Mr. Bridger mentioned the Lesniak Bill S-1 (in second reading) and Governor's Blue Ribbon Task Force, both of which are looking at changes to COAH. He described their proposed modifications for management of affordable housing throughout New Jersey. Mr. Bridger predicted multiple alterations to both plans during upcoming months.

Councilman Goldfarb expressed concern about fees already paid to Shirley Bishop, Borough's affordable housing consultant. He recommended postponing another analysis by an outside contractor until affordable housing requirements are clearer. Councilman Martindell seconded.

Seeing no one from the public who wished to address Council on affordable housing, Council President Koontz read **Agenda Item I, Report (2) — Monthly Police Report — David J. Dudeck, Chief of Police.**

**RESOLUTION 2010-R141
OF THE MAYOR AND COUNCIL
OF THE BOROUGH OF PRINCETON
APPROVING THE MONTHLY CHIEF OF POLICE REPORT**

WHEREAS, David Dudeck, Chief of Police of the Borough of Princeton prepared a comprehensive report detailing the police activity for the month of February 2010; and

WHEREAS, the Mayor and Council reviewed said report at their Regular Meeting attended by Police Chief David Dudeck and made various inquiries of Chief Dudeck.

NOW THEREFORE BE IT RESOLVED that the Mayor and Council hereby accept the February 2010 Monthly police report prepared by the Borough Police Administration.

Chief Dudeck continued the earlier talk of Ivy Fest. He said the permits for tables, lighting, noise, and so forth will be reviewed by police and returned to Borough Clerk Andrea Quinty.

Chief Dudeck had heard positive remarks from his staff about Communiversity—traffic and crowd management went well.

Chief Dudeck said he talked to Gary DeBlasio of Corner House about the eating clubs. Councilwoman Crumiller, Mr. DeBlasio, and Chief Dudeck will meet with outgoing presidents in May and invite new presidents to address Council in September 2010.

Chief Dudeck endorsed community identification cards. He said, from a police perspective, the cards are helpful in a variety of ways. Chief Dudeck thought no action was required from Borough Council.

Councilman Wilkes reported that Public Safety Committee endorsed the cards as well. Councilman Wilkes remarked that no official steps need be taken—no records to be kept, no fees to be collected.

Maria Juega of Latin American Legal Defense provided a list of ID protocols developed with Trenton Police Department. Ms. Juega said identification provided to nondrivers by Motor Vehicles is very restrictive.

Chief Dudeck undertook to post endorsement of ID cards on the police Website.

Councilman Goldfarb observed that meter violations were markedly low in February. Mr. Bruschi declared that Spring Street garage is busier; he plans a parking revenue study for meters, garage, as well as violations.

Councilman Martindell insisted on a Council discussion of police roles prior to hiring new officers. Council President Koontz wanted a more thorough talk about detective bureau needs.

Councilman Wilkes moved to accept the police report, Councilwoman Trelstad seconded, and Council accepted unanimously.

Council President Koontz read **Agenda Item J, New Business (1) — Resolution 2010-R142** as follows:

Mr. Budzinski explained that New Jersey determines parking restrictions on Nassau Street (US Route NJ 27). Mr. Budzinski discovered discrepancies with state law. He requested in writing to New Jersey that Nassau parking regulations align with Borough needs. New Jersey agreed to some requests and denied others. Resolution 2010-R143 complies Borough with revised state rules. Mr. Budzinski recommended ratification of these new rules, with pursuit of denied items at a later date.

Council President Koontz called the question. Borough Council approved unanimously.
