## **IMPORTANT NOTICE REGARDING PROSPECT AVENUE IMPROVEMENTS BETWEEN HARRISON STREET TO RIVERSIDE DRIVE WEST**

Tomorrow, Friday, September 4<sup>th</sup>, weather permitting, the contractor plans to install the final surface course of bituminous pavement on Prospect Avenue between Harrison Street and Riverside Drive West. **While this work is proceeding, Prospect Avenue will be closed between Harrison Street and a point just east of Riverside Drive West during the hours of 7:00 am to approximately 7:00 pm.** We request that all properties, which have direct driveway access to Prospect Avenue within the project limits park in a legal parking space on a nearby side street and walk to/from your home before and during the paving installation. If parking overnight, please use the parking waiver placard for on-street overnight parking attached to your paper notice delivered to your door. You can move your vehicle after the road has been re-opened later that evening.

**Please note that after the work is completed, Prospect Avenue will need to remain closed until approximately 7 pm to allow the new pavement to properly cure.**

Provisions will be made if needed for emergency services vehicles.

If you have any questions or concerns regarding this project, the following staff members can assist you:

- Scott Hutchinson, Princeton Project Inspector – [shutchinson@princetonnj.gov](mailto:shutchinson@princetonnj.gov) or 609-731-2631
- Alina Ferreira, P.E., Construction Engineer – [afferreira@princetonnj.gov](mailto:afferreira@princetonnj.gov) or 609-921-7077 x 1285

To facilitate ease of communication regarding the project, please email [jredeyoff@princetonnj.gov](mailto:jredeyoff@princetonnj.gov) to be added to the project email list.

Your assistance in tolerating the temporary inconvenience associated with this work, which will lead to a permanent improvement of your neighborhood, is appreciated.

Sincerely,

Alina Ferreira, P.E., Construction Engineer
