Director of Engineering

May 11, 2015

Important Notice

Dear Snowden Lane Residents:

This notice is to advise you that repair work on Snowden Lane from Braeburn Drive to Herrontown Road is planned, beginning on Wednesday May 13, 2015. The work is planned to be completed by Friday, May 15th, weather permitting. Snowden Lane will be closed between Braeburn Drive and Herrontown Road during working hours. Signage will be posted indicating the detours around the sections of the road that are closed.

The work will begin at Braeburn Road and proceed northerly to the Van Dyke Road. The road will be closed at 8:00 AM each day and re-opened to traffic at approximately 4:00 PM. The work will then proceed from Van Dyke Road to Herrontown Road. The work is expected to take 3 days. Your home will be accessible during the work hours from either Braeburn Drive, Vandyke Road or Herrontown Road, depending on the location of the work crew. Please note that when work is proceeding in front of your driveway you may be delayed. Please plan accordingly.

Access for emergency vehicles, postal delivery and trash collection will be provided.

If you have any questions at this time, please contact either Richard Decker at (609)751-6826 or myself at (609) 921-7077.

Sincerely,

Robert V. Kiser, P.E. Director of Engineering
