2014
CAPITAL BUDGET AND CAPITAL IMPROVEMENT PROGRAM

This section is included with the Annual Budget pursuant to N.J.A.C. 5:30-4. It does not in itself confer any authorization to raise or expend funds. Rather it is a document used as part of the local unit's planning and management program. Specific authorization to expend funds for purposes described in this section must be granted elsewhere, by a separate bond ordinance, by inclusion of a line item in the Capital Improvement Section of this budget, by an ordinance taking the money from the Capital Improvement Fund, or other lawful means.

CAPITAL BUDGET

- A plan for all capital expenditures for the current fiscal year.

If no Capital Budget is included, check the reason why:

Total capital expenditures this year do not exceed \$25,000, including appropriations for Capital Improvement Fund, Capital Line Items and Down Payments on Improvements.

No bond ordinances are planned this year.

CAPITAL IMPROVEMENT PROGRAM

- A multi-year list of planned capital projects, including the current year.

Check appropriate box for number of years covered, including current year:

3 years. (Population under 10,000)

6 years. (Over 10,000 and all county governments)

___ years. (Exceeding minimum time period)

Check if municipality is under 10,000, has not expended more than \$25,000 annually for capital purposes in immediately previous three years, and is not adopting CIP.

1

NARRATIVE FOR CAPITAL IMPROVEMENT PROGRAM

The Capital Improvement Program presented herewith is an estimated projection of capital projects for the next six years. It should be noted that the foregoing does not represent an appropriation of funds for the purposes listed, but merely a plan of capital improvements that are being contemplated in 2014 and beyond. A funding authorization is required in the form of a budget appropriation or capital improvement authorization before monies are available for the projects outlined on sheets 40b through 40d. Every effort has and will be made by the Mayor and Council to plan improvements which are responsive to the needs of the community. This year the Mayor and Council approved a debt management plan that aids in analyzing the fiscal impact of capital authorizations, and a policy to manage debt service levels going forward. Should unanticipated needs arise, the capital program will be reviewed against this plan, and revised or amended accordingly.
