Revised 7/13/16

OPEN FLAME/TEMPORARY HEATING UNIT INFORMATION:

Number of heating units: _____ Number of propane tanks: _____ Size of tanks (lbs): _____

Note: Propane tanks shall be kept a minimum of 5 feet from all open flames/temporary heating units and be properly secured to prevent tipping or falling over. A secure area with a minimum of 5 feet separation from open flame/temporary heating units and propane tanks shall be provided to prevent access from the general public.

This application must be accompanied by the following:

- A letter granting permission to obtain a permit for an open flame from the property owner, if the applicant is not the owner of the property.
- Payment of Type I Permit Fee (\$100), made payable to "Princeton".

PLEASE NOTE:

- Failure to be present at the time of inspection will result in a denial of the fire safety permit.
- Failure to comply with all conditions at the time of inspection will result in denial of the fire safety permit.
- The permit may be revoked by the Fire Official or designated representative for failure to comply with the conditions of issuance or any violations of any provisions of the New Jersey Fire Code.
- The firing or use of an open flame or temporary heating unit prior to an inspection shall constitute a violation of the N.J.A.C. 5:70-2.12(b)7.i and the operator shall be subject to a penalty.

I hereby acknowledge that I have read this application, that the information I have given is correct, that I am the owner or am duly authorized to act in the owner's behalf, and as such hereby agree to the requirements and/or any conditions imposed by the Fire Official.
