Pictured above (right to left) are Princeton Council President Bernie Miller, former Princeton Township Mayor Chad Goerner, Princeton Mayor Liz Lempert, Betty Johnson and former Princeton Township Mayor Phyllis Marchand unveiling the new sign naming the nature preserve after Willard T.C. “Billy” Johnson. The Willard T.C. Johnson Foundation provided funding to purchase the 77 acre parcel in 1987 and recently provided almost \$4,000,000 in funding to rehabilitate the dams, dredge the lakes and improve the landscaping at the entrance to the park.
