**Re: Carter Road (Structure No. 543.7) over Shipetaukin Creek  
Lawrence Township**

Dear Mayor Maffei:

Please be advised that on or about Monday, April 18, 2016 replacement of Mercer County Structure No. 543.7, which carries Carter Road over Shipetaukin Creek, is expected to commence. The project site is located approximately 1600' west of US Route 206. The anticipated duration of this project is 135 calendar days.

Although work would take place weekdays from approximately 7:00 a.m. to 3:00 p.m., Carter Road would be completely closed to all traffic on a 24/7 basis during construction. Motorists will be directed to use Rosedale Road to Province Line Road to US Route 206. We ask that you or a member of your staff please coordinate and notify emergency response, school transportation officials, and any other pertinent groups, agencies or organizations that may be temporarily inconvenienced due to construction. Members of my staff have advised representatives from Bristol Myers Squibb, Educational Testing Services and Terhune Orchards regarding the pending closure of Carter Road.

This project is being completed by the Mercer County Department of Transportation and Infrastructure and is consistent with our ongoing efforts to improve our roadways. Should you have any questions or require additional information, please do not hesitate to contact me at (609) 989-6629.

Sincerely,

Aaron T. Watson  
Deputy Administrator/Director  
Department of Transportation & Infrastructure

ATW/mgd
