Re: Rosedale Road (CR 604)

Dear Mayor Lewis:

Please be advised that on or about **Tuesday, September 8, 2015, milling and resurfacing work will begin on Rosedale Road from Carter Road to Province Line Road.** Mercer County anticipates that this work will take approximately ten (10) working days, weather permitting.

Construction will occur between the hours of 9:00 AM to 3:00 PM, weekdays only. During this time, Rosedale Road will be available to local residents and for emergency access but will be closed to through traffic. A detour will be posted with westbound motorists directed to turn left onto Province Line Road, right onto US Route 206, right onto Carter Road to Rosedale Road, end of detour. Southbound traffic would be directed to follow the same route conversely. The roadway will be open to traffic at all other times.

Mercer County staff will post signs prior to the start date advising motorists of upcoming road work. We ask that you or a member of your staff please coordinate and notify emergency response school transportation officials and any other pertinent groups, agencies or organizations that may be temporarily inconvenienced due to construction.

Honorable Cathleen M. Lewis, Mayor
