GENERAL INFORMATION, RULES AND REGULATIONS

(Revised March 2022)

Family Definition

Persons eligible for membership under the family plan are: Members of the same family unit permanently residing at the same legitimate Princeton address. A family unit is defined as parent(s)/legal guardian and his/her immediate dependent(s). Dependent is defined as natural, foster, adopted, or any minors for which an adult(s) has legal custody. To qualify for a family membership, the dependent(s) of the adult(s) member must not have reached their 21st birthday as of June 1 of that year. Dependents to the age of 23 years as of June 1 may be included in this definition if they are full time students (proof will be required). Babysitters, live-in helpers and grandparents do not qualify as family members under this definition, however, babysitters, live-in helpers and grandparents may qualify to join as separate entities if they also live at this bona fide Princeton address.

The Recreation Department offers Wading Pool access to pool members during non-public time starting with the first weekend in June. The program is offered Monday-Friday from 10:00 a.m. to 12:00 noon and from 9:00 to 11:00 a.m. on weekends and Holidays. It is not necessary for the guardian, babysitter or parent to have a pool membership for this special program. It is necessary for each child to have a membership.

General Membership Information

Season memberships may be revoked or suspended by the Recreation Department without refund of fees for making any false report pertinent to the acquisition of a membership. Memberships and Daily Admission Cards (DAC's) are not transferable. Any person using a membership or DAC that is not his/her own will be automatically suspended for seven (7) consecutive days for a first offense and for the entire season for a subsequent offense. Any person allowing his/her membership card or DAC to be used by any other person will suffer the same penalties.

The Princeton Board of Parks and Recreation Commissioners has established a general policy that refunds will not be allowed. The Commission reserves the right to make special exceptions regarding refunds for membership. If a special exception is granted by the Commission, an administrative service charge of **20%** will be deducted from the refund.

The Pool shall be open for public swimming from 12:00pm to 8:00 p.m. on weekdays and 11:00 a.m. to 7:30 p.m. on weekends and holidays. Starting in August (date TBD) the pool will close at 7:30pm due to diminishing daylight. The manager shall have the right to close all or any portion of the pool facilities at any time for health and safety reasons.

The following rules and regulations are established pursuant to **N.J.S.A. 40:61-22-27** for the supervision, regulation and control of activities and for the protection of property at Community Park Pool. Patrons

are requested to cooperate in observing these rules and to obey the instructions of the Aquatics staff. Patrons violating swimming rules are subject to the revocation of their swimming privileges.
