**NOTICE OF NEIGHBORHOOD PRECONSTRUCTION MEETING
WITHERSPOON STREET PHASE 2 (GREEN STREET TO LEIGH AVENUE) IMPROVEMENTS
WEDNESDAY, MAY 24, 2023 AT 7:00 PM
IN THE MAIN MEETING ROOM AT 400 WITHERSPOON STREET**

Dear Witherspoon Street Residents:

You are invited to attend a preconstruction meeting on Wednesday, May 24, 2023 at 7:00 pm at the Municipal Building to meet the Municipality's contractor and construction management team, and to learn about the construction schedule and construction phasing for the improvements to Witherspoon Street between Green Street and Leigh Avenue. This project to improve Witherspoon Street will involve upgrades to sanitary and storm sewer systems; construction of new, sidewalks; traffic calming measures such as bumpouts and raised crosswalks; road paving; new pedestrian-level street lighting; and new trees.

Construction work is scheduled to begin in early June and will take place Monday through Friday during daytime hours. If necessary, road closure and / or night work may be implemented for specific construction activities.

Please visit the Witherspoon Project webpage and sign up for a weekly Constant Contact newsletter specific to the project. Type in <https://www.princetonnj.gov/1346/Witherspoon-Street-Improvements-Project> or scan the QR code to the right. Princeton Engineering Department will post updates to the schedule, including work hours, on the webpage.
