

February 26, 2019

Dear Neighbor:

You recently received a letter from PSE&G inviting you to attend a public workshop to learn more about upcoming gas construction work in Princeton.

That letter mistakenly included incorrect contact information for PSE&G's Project Team. We sincerely apologize for any confusion that this has caused. If you have any questions/concerns or would like to confirm your attendance, please call the Gas Construction Project Hotline at **1-833-661-6400** or email us at gasworks@pseg.com.

The public workshop will proceed as scheduled **on Wednesday March 20, 2019, from 6:00 p.m. to 8:00 p.m. at Monument Hall, 1 Monument Drive in Princeton.**

Thank you very much,

Frank Lucchesi
Sr. Regional Public Affairs Manager
PSE&G
