WE KEEP LIFE FLOWING™

BE SAFE. PRACTICE SOCIAL DISTANCING.

We'd like to ask customers to recognize the essential work being done by our employees and contractors, and remind them to adhere to social distancing rules for everyone's safety. If a customer sees a crew performing work in their area, and wishes to ask a question about it, they are encouraged to visit our website, Facebook, or Twitter pages, or call Customer Service at (800) 272-1325.

QUESTIONS?

Please call our Customer Service Center:

Hours: 7 a.m.–7 p.m., M-F
For emergencies, we're available 24/7.

1-2021

WE'RE INVESTED IN PRINCETON

WATER TANK PROJECT TO START SOON

New Jersey American Water is preparing to make structural repairs to a ground level water storage tank located off Mt. Lucas road in Princeton.

The project represents a critical investment for the company in support of our commitment to provide customers with safe, reliable water service.

PROJECT START/END AND WORK HOURS

Weather permitting, our contractor, US Tank Painting, Inc. will begin work on or about January 11 and be completed by early May. Work hours will be from 7 a.m. to 6 p.m., Monday through Friday. Work outside of these hours is not expected unless required to maintain project schedule.

TRAFFIC FLOW AND ACCESSIBILITY

No traffic restrictions or alternating traffic patterns are expected to occur during work hours. However, New Jersey American Water's inspector, along with the contractor's personnel, will provide a minimum of 24 hour's notice prior to any parking and/or driveway use restrictions. All emergency vehicles and local traffic will be allowed access during construction.

NOISE

As with any construction project, some noise will be unavoidable with this project, especially during the weeks of January 18 - 29 and February 8 - 19. We apologize for any inconvenience, and appreciate your understanding and cooperation.

SITE MAINTENANCE

The project site will be maintained and cleaned before contractors have completed work.

INFRASTRUCTURE. ONE MORE WAY WE KEEP LIFE FLOWING.
