Fire Safety Fact Sheet

Fire Safety Registration

All businesses in the Municipality of Princeton are required to be registered with the Princeton Bureau of Fire Safety. It is critical that all of the information is up to date and correct. We will use this information for Fire Inspections, Fire Department response and Police Department needs.

Please follow the link to register your business for initial occupancy, if you move or if you expand. The registration is web-based and does not have a cost.

Once the registration is complete we may contact you to schedule an initial Fire Inspection.

If you have any questions, please contact our office for assistance.
